Inside, the open and welcoming floor plan is filled with natural light (has 4 skylights!) and offers a comfortable, easygoing feel. The kitchen features butcher block countertops, double sink, pantry, lazy Susan, and smooth-top stove. A bright sunroom with sliding doors to the backyard adds flexible space for relaxing, entertaining, or a bonus room. Enjoy plenty of room to roam, with a fenced backyard and wooded areas ready to explore. A circle drive and TWO large 2-car carports provide abundant parking and covered space for vehicles, equipment, or recreational toys. Recent improvements provide added peace of mind, including A/C replaced in 2024, whole-house re-piping in 2020, hot water heater and well pump changed in 2025, updated bathroom with new walk-in shower and toilets, fresh paint, and a Honeywell thermostat. Owners also love the fast, reliable OEC fiber internet.
